

.Best announces partnership with Google

PARIS, France. – June 16, 2020 – .Best (Top-Level Domain) today announced a new partnership with Google.

“Given the challenges so many are facing, it’s a huge honor for the .Best Registry to have Google as a new partner to support .Best domains distribution” said Cyril FREMONT, Chief Executive Officer of the .Best Registry and THE.Best social network.“

“Google offers .Best domain registration through Google Domains (<https://domains.google>) and on the other side, THE.Best social network (<https://the.Best>) offers Google AdSense Advertising services with every .Best social media user website: i.e <https://cyril.best>, <https://parisien.best>, ...”

“THE.Best social media app will be available in few days from now to social media users as situation seems to get better. By joining THE.Best social network with a .Best domain, every social media user is able to win rewards based on ad clicks from Google AdSense.“

About .Best

.Best is the Registry Operator for .Best domain names and already counts +100K .Best live domains registered in 170 countries: <https://go.Best>

.Best mission is to develop THE.Best social network (<https://the.Best>) as a new rewarded content solution for social media users and a new business opportunity for brand & business owners.
